Application was discussed with SPE Georgia Epps concerning reference EP 0 982 432 and it was agreed that this reference does	10/24/2005	JS
not qualify as prior art. Specifically, not a 102(a) since not "by others". It is assumed that Minoru "Inuduka" on this		
reference is a typo and meant Minoru Inuzuka similar to the mistake in the present application in which the inventor		
was originally indicated as Inuduka on the first declaration and was corrected to Inuzuka on the subsequent declaration.
